MUNICIPAL ORDINANCES, RULES, AND REGULATIONS PERTAINING TO PUBLIC HEALTH.

CHICAGO, ILL.

Rabies—Muzzling of Dogs—Destruction of Rabid Dogs. (Ord. Mar. 31, 1913.)

Sections 769 and 779 of the Chicago Code of 1911 were amended so as to read as follows:

"SEC. 769. *Muzzling*.—No person shall cause or permit any dog owned or kept by him to run at large on any street, alley, or other public place, nor in any public hall, saloon, office, store, market, milk depot, or confectionery store during the time that the said place is open for public business, or in the hallway of any building occupied by two or more families, within the city of Chicago at any time, unless such dog shall be securely muzzled so as to effectually prevent it from biting any person or animal.

"Any such person being the owner or keeper of a dog who shall suffer such dog to run at large at any time in violation of the provisions of this section shall be fined not less than \$2 nor more than \$200 for each offense.

"Every day on which such person shall suffer any dog owned or kept by him to run at large without a muzzle, after the first conviction under this section, shall constitute a separate and distinct offense.

"Nothing herein contained shall be held to require the muzzling of any dog while on private premises, or while on any street, alley, or other public place, or in any of the places above mentioned in this section, if such dog shall be led by a chain or in leash, in such manner so as to prevent such dog from biting any person or animal.

"But nothing herein contained shall be construed to permit any bitch when in heat, whether muzzled or otherwise to run at large.

"It shall be the duty of every police officer to report to the superintendent of police any dog which is found in his district contrary to the provisions of this section "

"SEC. 779. *Definition*.—The word 'dog' whenever used in this chapter shall include a female as well as a male dog.

"*Mad dogs biting other dogs*.—Any dog suffering from rabies or any dog bitten by a dog suffering from rabies is hereby declared to be a nuisance and such dog may be slain by any policeman.

"It shall be the duty of any person owning or exercising ownership or agency over any such dog to surrender said dog to any policeman upon demand.

"Any person refusing or failing to so surrender such dog upon demand shall be fined not less than \$2 nor more than \$200."

Glasses, Cups, Dishes, and Utensils—Cleaning of, in Places of Public Refreshment. (Ord. May 5, 1913.)

That article 20 of chapter 38 of the Chicago Code of 1911 be and the same is hereby amended by adding thereto the following section, to be known as section 1370½:

"1370½. Any and every glass, cup, dish, and other eating or drinking vessel or utensil used in or at any hotel, saloon, restaurant, drug store, soda fountain, or other place of public refreshment in the city shall be thoroughly cleansed in running water or in clean water after each and every use thereof by any patron, and prior to any further use thereof in eating or drinking by any other patron; and no such glass, cup, dish,

or other eating or drinking vessel or utensil, after use by one patron in eating or drinking, shall be offered or permitted to be used by any other patron without such glass, cup, dish, or other eating or drinking vessel or utensil having been first thoroughly cleansed in running water or clean water.

"Any person, firm, or corporation owning or operating any hotel, saloon, restaurant, drug store, soda fountain, or other place of public refreshment, or any employee in charge of same or serving refreshments therein, who shall fail to comply with the requirements of this section shall be fined not less than \$5 nor more than \$50 for each offense."

Hospital Morbidity Reports and Records—Communicable Diseases, Mental Diseases, Drug Addiction—Removal of Patients. (Ord. May 19, 1913.)

That sections 1197, article 7, and 1222 and 1223, article 9, chapter 7, of the Chicago Code of 1911, be and the same are hereby amended to read as follows:

"1197. *Removal of sick persons—Exposure of person forbidden.*—No person shall, within the city, without a permit from the commissioner of health, carry or remove from one place to another any person sick of any contagious or epidemic disease. Nor shall any person by any exposure of any individual sick of any such disease, or of the body of such person, or by any negligent act connected therewith or in respect of the care or custody thereof, or by a needless exposure of himself, cause or contribute to or promote the spread of disease from any such person or from any dead body; nor shall any person, within the city, without a permit from the commissioner of health, carry, remove, or convey from one place to another any person having a mental disease or drug addiction, unless such person is in charge of city, county, or State authorities."

"1222. *Complete records to be kept.*—Each and every hospital shall keep a complete record of all patients admitted to the institution, giving name, age, and social condition of each patient (except as hereinafter provided in sec. 1225), and the mental or physical disease, drug addiction, or injury for which such patient is being treated, together with any complications which may arise from or during such treatment, and the date of admission and discharge of such patient from such hospital. In the case of maternity hospitals, such record shall show the date of birth, sex, and disposition of every child born in such maternity hospital. Such records shall be open at all times to the inspection of the commissioner of health or his duly authorized representatives."

"1223. *Daily, weekly, and monthly reports.*—It shall be the duty of every person, firm, or corporation conducting or maintaining any hospital within the city to make a report to the commissioner of health daily by telephone and by mail, of all cases of actively contagious diseases, as smallpox, chickenpox, diphtheria, scarlet fever, mumps, measles, German measles, impetigo contagiosa, anterior poliomyelitis, or any other disease which may now or at any future time be classified by the commissioner of health as an actively communicable disease, with which any patient or patients in such hospital may be afflicted. It shall also be the duty of all such persons, firms, or corporations licensed, as provided in section 1214 of this article, to make a weekly report to the commissioner of health, covering all forms of mental disease or drug addiction, or typhoid fever, tuberculosis, epidemic cerebrospinal fever, pneumonia, and such other diseases as may be designated by the commissioner of health as being of a character similar to those herein enumerated. Such daily and weekly reports shall contain the names and residences of all persons suffering from any and all of the above-mentioned diseases, together with such other information as shall be of use in aiding the department of health in stamping out the said diseases. It shall be the further duty of all such persons, firms, or corporations licensed as aforesaid to make a report to the commissioner of health, on or before the fifth day of each calendar month, showing a complete record of
